

## HUSQVARNA Battery BLi200

Pro-specified integrated battery with high capacity, designed to work in all weather conditions. Robust construction enables up to 1500 recharges. Features efficient cooling and intuitive 4-LED charge indicator.

## EGENSKAPER

### Tekniska specifikationer

#### ALLMÄNT

Batterikapacitet	5,0 Ah
Batterieffekt	180 Wh
Batterityp	Li-Ion
Batterispänning	36 V

Produktstorlek, längd	132,0 mm
Produktstorlek, bredd	98,0 mm
Produktstorlek, höjd	115,6 mm
Artikels bruttovikt	1353 g
Produktens nettovikt	1313 g

#### FÖRPACKNING

Packaging length	140 mm
Packaging width	135 mm
Packaging height	110 mm
