

## HUSQVARNA Battery BLi300

Integrated pro-battery with exceptionally high capacity. Designed to optimize productivity and long runtime in all weather conditions. Available in several configurations, it is an affordable way to increase uptime without having to invest in backpack batteries. Efficient cooling and intuitive 4-LED charge indicator.

## EGENSKAPER

### Tekniska specifikationer

#### ALLMÄNT

Batterikapacitet	9 Ah
Batterieffekt	320 Wh
Batterityp	Li-Ion
Batterispänning	36 V

Produktstorlek, längd	155.0 mm
Produktstorlek, bredd	98.0 mm
Produktstorlek, höjd	115.6 mm
Artikels bruttovikt	2000 g
Produktens nettovikt	1970 g

#### FÖRPACKNING

Packaging length	140 mm
Packaging width	180 mm
Packaging height	107 mm
